I.   **Success on the Licensure Exam**

Table # 1: Graduates Successful Completion Rate in "Jordan Nursing Licensure Exam" in 2024 as Reported by the Jordanian Nursing Council (JNC)

Exam Date	Total # % of Attended Graduates	# of Attendee/ Regular Program	# of Attendee/ Bridging Program	FON/Isra Univ. (No) Mean%	National Exam (No.) Mean%	Remarks
3/1/2024	13			(11) 84.6%		
17/4/2024	21	27	59	(15) 71.4%	(2218) 73.3%	Below National Mean Score
14/8/2024	24			(11) 45.8%		
19/11/2024	28			(21) 75.0%		
Total	(86) 100%	(19) 70.4%	(39) 66.1%	(58) 67.4%		

As shown in table # 1, and as reported by the JNC, the successful completion rate of the graduates of the Faculty of Nursing at Isra University in 2024 is 67.4% that is below the national mean score (73.3%). The successful completion rate of the regular program graduates (70.4%) is higher than that of the bridging program graduates (66.1%).

This result prompted the academic departments' faculty members to set improvement plans in all reported domains (i.e., Adult Health Nursing, Mental Health Nursing, Maternity Nursing, Child Health nursing, Community Health Nursing, and Leadership and Management in Nursing). Therefore, we look forward to seeing improvement in the successful completion rate of our graduates in the "Jordan Nursing Licensure Exam" in 2025.

II. Program Completion Rate, AY 2023/ 2024

Note: The expected level of achievement (ELA) is as follows:

- 75% of the students will complete on time that is 8 semesters for regular and 4 semesters for bridging program students (this duration of time completion is equivalent to 100%).
- 25% may use the maximum completion time that is 14 semesters for regular and 6 semesters for bridging program students (this duration of time completion is equivalent to 150%).

Data (Aggregate; Disaggregate if applicable)					
Year	Program Option	# of Admits to Initial Cohort	On-time Graduates	Aggregate Rates	Annual Analysis/Actions
2023/2024	Regular BSN	25	17	67/86=77.9% Completed on-time	**Annual Analysis/Actions:** The analysis is conducted twice each year as follows:
	Bridging program	61	50		- At the end of the first semester (during February).
2022/2023	Regular BSN	22	21	55/56=98.2% Completed on-time	- At the end of the summer semester (during October). Therefore, the total number of the graduates is calculated as the sum of the number of graduates at the end of the second semester and at the end of the summer semester.
	Bridging program	34	34		
2021/2022	Regular BSN	16	15	79/80= 98.75% Completed on-time	
	Bridging program	64	64		
2020/2021	Regular BSN	24	15	52/61= 85.2% Completed on-time	
	Bridging program	37	37
